- Article 1** The Regulations are provided by the Taipei National University of the Arts (hereafter the University) in order to expand students' fields of study and inter-school exchange.
- The cross-school minors indicated in the Regulations are for undergraduate students of the University to take minors in fields of a different nature at other collaborating universities (hereafter Other Universities), or for undergraduate students from Other Universities to take minors at the University. The nature of the fields shall be determined by respective departments of the University and Other Universities.
- Article 2** The cross-school minors shall take the form of bilateral exchange between the University and Other Universities. Both sides must sign agreements for arranging cross-school minors programs.
- Article 3** Students who wish to apply for cross-school minors must receive approval from respective departments of the University and Other Universities.
- Article 4** The courses and credit fees for the minors shall be determined under the agreement signed between the universities involved.
- Article 5** Students who pursue cross-school minors must achieve all credits required by their original departments, as well as all credits required of their minors.
- Article 6** If the University and Other Universities determine that the students who pursue cross-school minors meet the graduation requirements of both departments, the names of the departments and universities where they have achieved the minors shall be indicated on their degree certificates.
- Article 7** Any circumstances not stipulated in the Regulations shall be governed by relevant statutes and regulations for minors of the students' own universities.
- Article 8** The Regulations shall be implemented after approval by the Academic Affairs Meeting, and reported to the Ministry of Education for reference. The same procedure shall apply to future revisions.
